

## Four File For High School Board Posts

Four persons had filed up to noon this week Wednesday for positions on the Antioch-Lake Villa high school board, board secretary Ruth Seyfarth said.

Lester Boyd Ostmond of Antioch is seeking the two-year term of Arthur W. Seekatz of the Lake Villa-Fox Lake Hills area. Seekatz has indicated he will not be a candidate for re-election.

Mrs. Mary Chase of Channel Lake and Robert Denman of the Millburn area have filed for the post Denman now holds. Denman is chairman of the high school board now. This is for a three-year term of office.

Filing late Wednesday morning was Milburn Cain of Antioch for a three-year term. He will be a candidate for re-election.

Lars Steffenberg, who took out petitions several weeks ago, had not filed as of Wednesday noon.

It was reported that two petitions for election had been taken out for people in Lake Villa and/or Lindenhurst.

However, it could not be learned up to noon Wednesday just who would be filing these petitions.

Wednesday of this week was the first day for filing for the high school board. Last day will be March 19 and the final day in which a candidate may withdraw will be March 22.

Final day for applying by mail for an absentee ballot in the school board election will be April 4 and the last day to do it in person will be April 6.

Election of school board members will take place Saturday, April 9.

## Seek Donations To Heart Fund Sunday, Feb. 28

Sunday, Feb. 28, is "Heart Sunday" in Antioch as well as elsewhere in the nation. Mrs. Helen Kopriva, local chairman for the campaign, reminded people this week.

On that day people will canvass the community, weather permitting, asking for donations.

Last year more than \$1,100 was contributed, more than doubling the village's quota of \$550, she said. This year's quota is \$800.

Harry Greenlee and Mrs. Nancy Reichardt of the Telephone Pioneers organization will be assisting with the drive and have called on other members of the group to lend aid.

Others helping Mrs. Kopriva will be Mrs. Norman Jedebo who has been in charge of correspondence and Mrs. Walker Lyons who will help in the business district of Antioch.

Preston Reckers is treasurer of the campaign.

## Tourney Tickets Sale Scheduled

Tickets for the regional basketball tournament at Libertyville which starts next Monday evening, will be on sale at Antioch-Lake Villa high school's office starting at 8 a.m. Thursday, Feb. 25.

They may be obtained there until 4 p.m. that day. Ducats also may be purchased Friday and next Monday during the same hours.

Fans also may purchase tickets for the tournament at the ticket booth in the local high school gym this week Friday evening before or during the Antioch-Grayslake conference game.

Antioch's Sequoits play Grant high next Tuesday evening in the first game of the night booked for 7 o'clock. Two games will be played Monday evening and two contests Tuesday.

There will be games between the winners Wednesday and Thursday nights and the championship tilt is booked for Friday evening, March 4.

## 'Victory Dance' Set For Friday Evening

A victory dance featuring Jack Wilton of Radio Station WGIN, Chicago, will be held in the Antioch-Lake Villa high school gym Friday evening, Feb. 26, after the Sequoit-Grayslake basketball game.

Dancing will be from 10 p.m. to midnight sponsored by the junior class.

Records will furnish the music with Wilton doing the "spinning." A contest will be held with prizes going to the winners.

# Village to Elect New Trustee Tuesday

## Sequoits Play Grayslake Here Friday, In Tourney On Tuesday

Antioch high will meet Grant high's Bulldogs next Tuesday evening at 7 o'clock in the first game of that night in the Libertyville regional basketball tournament, in the Butler Lake gymnasium, Libertyville.

Second contest of the evening will put Libertyville-Fremont against Elia-Vernon starting at 8:30.

Monday night's opening games will put Barrington against Wauconda in the 7 o'clock curtain-raiser and it will be Round Lake vs. Grayslake at 8:30 in the evening finale.

Games will be played Feb. 29, March 1, 2, 3, and 4. Two contests are scheduled Monday and Tuesday nights, while single contests will be played the other three evenings.

Championship action is booked for 8 p.m. Friday, March 4.

If the Fighting Sequoits win Tuesday evening they will meet the victor of the Libertyville-Fremont vs. Elia-Vernon game at 8 p.m. Thursday.

Victors in Monday's openers will vie at 8 p.m. Wednesday.

Defeat for either of the eight teams entered will eliminate that quintet from the tournament.

Winner of the regional tourney at Libertyville will take part in the sectional playoffs in Arlington Heights the following week.

Grayslake high school's basketball team is not to be taken lightly by the Fighting Sequoits of Antioch as the local youths work for their game with Grayslake on the local school floor Friday evening.

The Northwest Suburban conference game will close the league season for both teams and a victory for Antioch will assure it of the conference championship for 1959-60.

Friday night also will be "parents night" with parents of Sequoit varsity players being honored guests of the school's athletic department.

Ceremonies between the B squad and varsity games will honor the parents. This is the second year parents of basketball players have been guests.

A section of the bleachers will be reserved for them on the Antioch side of the local gym. Parents of 14 players and one manager will be honored.

Grayslake will have to work hard to win over Antioch high Friday night and Coach Larry Leon and his players know that most any team in the conference can defeat a top quintet on a given night.

Antioch wants to win all the way and not be co-holder of the conference title and so the players and coaches will go "all out."

"The Grayslake game will not be an easy one for us," Leon commented this week. "We will not be given the contest on a silver platter."

A 6-5 boy from the sophomore team at Grayslake has been added to the varsity squad to give the visitors added height.

## Sports, Stage Celebrities To Be Here

Two basketball games will vie with sports celebrities and stage world people when Antioch's March of Dimes benefit is held in the Antioch high school gym the evening of Tuesday, March 8.

Head coach Vince Lombardi of the professional Green Bay Packers football team will bring several of his players with him.

A stage celebrity from Chicago will also be present although it was not known for sure this week just who it would be. It will depend somewhat on who is appearing there that week.

In addition, two basketball games will be on the program.

The Antioch Scouts semi-pro quintet will play an all-star team from the Land-O-Lakes league in one contest. The other will feature a team from the Great Lakes naval station and an opponent to be announced.

The Scouts captured the Land-O-Lakes championship 10 days ago.

This March of Dimes benefit scheduled to start at 7:30 p.m. March 8, will replace the usual "Mothers' March on Polio," Antioch drive chairman Dr. Richard Carlucci said.

Olga Pitner, former 32-year resident of Stanton Bay, Ingleside, and Petite Lake's Cedarcrest subdivision, has purchased the Ries apartments and hotel rooms at Pompano Isles, Pompano Beach, Fla.

## Water Patrol Training Class Starts Under Antioch Leader

FOX LAKE—An expanded training program for the Chain-O-Lakes water patrol is already in progress, although this year's patrolling will not begin for more than three months, according to the patrol's training officer, Lieutenant Ray Jensen of Route 1, Antioch.

Jensen conducted the first 1960 class workshop for the patrol in Fox Lake last Saturday, with demonstrations of nautical knot tying and discussion of small boat handling.

In addition to the training meetings, each patrol member will receive ten hours of on-the-water drill before patrolling begins, Jensen added.

New chief of the patrol, John Schimel of Fox Lake, announced the unit plans to have four boats on the water next summer, manned by an expanded staff of 50 men.

One boat will be assigned speci-

## New Bank Hours Start March 4

New banking hours were announced this week by both the State Bank of Antioch and the First National Bank of Antioch effective Friday, March 4 when both banks will be open Friday evenings as well as daytimes.

Starting on that date hours will be 9 a.m. to 3 p.m. Monday through Saturday except Wednesday when both banks will be closed.

Then Friday evenings both institutions will be open from 6:30 to 8 o'clock.

It is the hope of both local banking institutions that these new hours will prove more convenient to "our valued customers."

## Ash Wednesday Services Listed

St. Ignatius' church of Antioch has announced the services for the parish on Ash Wednesday, March 2, as follows:

Holy Communion—7 a.m. and 9 a.m.

Litany and Penitential Office—8 p.m.

Imposition of Ashes will take place at all three services.

## Take a Look Inside

We suggest you take a look inside this week's edition of the ANTIOCH NEWS to see several photographs of events that have happened recently in Antioch and vicinity, including the Scoutorama at Grayslake.

Pictures of Boy and Cub Scouts from this vicinity participating in the Scoutorama will be found on page 2.

Photographs of such things as the coming PTA play, "Time Out for Ginger", on page 4; last weekend's Antioch high school basketball games and a scene from last week's Musical Showboat at ATHS also will be found inside this week.

## Music Contest Dated March 1 At Central Hi

PADDOCK LAKE, Wis.—The elimination contest for vocal ensemble groups will be held in the music room at Salem Central high school on Tuesday evening, March 1, at 7:30. The public is invited.

Those selected will compete in the district music contest at Whitewater later this year.

The vocal solo elimination contest will be held Thursday evening, March 10. Bear in mind these two dates.

Accompanists for these contests will be Betty Magwitz, Carol Kempf, Charlotte Fowler, Kathy Ostman, Joan Gordon, Mary Getka, Charlene Harris, Roxanne DeBell and Mrs. Jane Palumbo.

## Square Dance Slated

CHANNEL LAKE—A square dance open to anyone interested will be held in the assembly room of the Channel Lake school Saturday evening, Feb. 27, sponsored by the Community club of that community.

Instruction will be given and there will be "callers" for the dance scheduled to start at 8 p.m.

## Janice Miller In Hollywood

Mrs. Leonard J. (Janice) Miller, a top Chicago model, flew to Las Vegas, Nev., for a modeling assignment on Feb. 13. She then went on to Hollywood for commitments with Warner Brothers the following week.

On Wednesday, Feb. 17, she was the dinner guest of Mr. and Mrs. Dean Martin in their Beverly Hills home. She returned to Chicago two days later on a TWA Jet Boeing 707.

Mrs. Miller, the daughter of Mr. and Mrs. James Runyard of Channel Lake, is better known to her friends in this area as Jan Runyard, which is also her professional name.

Janice, who is an Antioch High school alumna, will return to Hollywood March 21 for an assignment in "77 Sunset Strip."

## Polls to Open 6 a.m. - 6 p.m. At Local Hall

Antioch village residents will report to the polls next Tuesday, March 1, to select someone to fill the vacancy on the village board of trustees declared vacant when Frank J. Appleby moved out of town.

Balloting will take place in the village hall on Main st., from 6 a.m. to 6 p.m.

Five persons have taken out nomination papers for the position, Anthony J. Scully, Arthur Letkey, Robert Bolton, David H. Nissen and Einar Petersen.

The person elected will fill out the term that would expire in May 1963.

The ballot also will contain blank lines on which voters may write the name of a person he or she wishes elected.

Village clerk Clarence Shultis has ordered 1,000 ballots printed, plus more than 200 samples. The latter have been available at the village hall for those wishing them and were qualified to pick them up.

Absentee ballots have been available for those expecting to be out of town next Tuesday.

Appleby's place on the village board of trustees was declared vacant at a meeting of the board on Jan. 5, as "he has ceased to be an inhabitant of the village of Antioch for which he was elected."

Election judges next Tuesday will be Mrs. Lorraine Blackman, Mrs. Mary Ellis, Mrs. Carolyn Horan, Mrs. Lorraine Folbrink and Mrs. Mary Knappe.

Each will be paid \$15 for her services at the polls that day, according to a vote of the trustees.

## 'Finian's Rainbow' To Be Presented March 25-26

The music department of Antioch Township high school will bring Broadway to Antioch!

"Finian's Rainbow," the humorous musical fantasy that delighted New York audiences for 91 weeks in 1947 and 1948, will bring its pot of gold, its leprechaun and its collection of famous song-hits to the high school auditorium March 25 and 26.

Bernard Anderson will appear as the genial Finian McLonergan who filches a pot of gold from the leprechauns of his native Emerald Isle and brings it to America with the idea of burying it somewhere. Thereby letting it increase, since he has heard that Americans bury their gold at Fort Knox and it thereby mysteriously multiplies.

Finian's daughter, Sharon, played by Penny Anderson, and Woody Mahoney, played by Pete Zelen, supply the love interest in the show.

AS CAN BE expected, when a McLonergan and a Mahoney get together anything can happen.

Finian chooses for his burying-ground a spot in the state of Mississippi, inhabited by poor tenant farmers, on land coveted by a bigoted politician named Senator Billboard Rawkins (Dan Seyfarth).

The ambitious Irishman soon discovers that he has been followed to this rural area by a pixy-ish representative of the pilfered leprechauns who want their pot of gold back.

These circumstances lead to a number of fanciful and amusing situations. Among others is one in which the poor farmers can sing of their having reached the "Great Come and Get It Day" when the very rumor of "gold" on their property (continued on page 6)

## DEAR READER News Editorials

### A Fine Bunch Of Youths - Sequoits

One of the finest bunch of high school athletes you will find anywhere is the Antioch high school basketball squad of this year—from the B squad through the varsity group.

That they have come as far as they have is a real credit to their coaches, Larry Leon and Stuart Good, and to the youths themselves.

Right now the Fighting Sequoits are working toward what they hope will be sole possession of first place in the Northwest Suburban conference. Warren could tie the local quintet for the title.

But a victory by the Sequoits over Grayslake this week Friday evening will assure Antioch high of its first basketball "pennant" in several years regardless of what the Blue Devils of Warren may accomplish the same night.

The Antioch varsity quintet this season has "hung together" like a family from season start through every game it has played. The youths not only played well together on the basketball floor but they also "play well" together outside the gym.

Coaches and players alike are a team in every aspect of that word.

We join with other basketball fans of Antioch and vicinity whose young people attend the local high school in wishing the players and coaches every good luck there is against Grayslake Friday evening.

We hope you walk off the floor with the conference championship.

And then go on next week to take the regional tournament title in games at Libertyville's high school gymnasium.

You have done well this season—better than some people expected—perhaps more than you had hoped for. May you go on to the greatest honor you can hold—a place in the state tournament and—well you guess.

### Clothing Collection Drive to End Friday for Emmons School Pupils

Students of Emmons school will bring their "Save the Children" federation bundle day clothing collection program to a close on Friday of this week.

Responding to the urgent clothing needs of children at home and overseas, faculty and student leaders have asked parents and friends to join with them and SCF in this 18th annual nationwide humanitarian project of children helping children.

"The enthusiasm of our students is inspiring," states Donald J. Blake, principal.

I strongly urge everyone to empty clothing storage areas of good, used garments and, through their supporting cooperation, help bring the total collection to a grand high point.

Donated clothing should be sent to school this week by students or brought to school directly in bags and cartons.

Blankets and sheets, in addition to good, used winter and summer garments for children, babies and adults are urgently requested.

Low heeled shoes and overshoes are especially needed.

Each year thousands of children

are enabled to attend school in the southern mountains by the distribution of clothing through SCF Clothing Centers where clothing is made available at very low prices to a poor but proud people who prefer not to accept free clothing.

However, to those who cannot afford to pay, clothing is also made available without charge through county welfare and attendance officers.

In addition to its use in the southern mountains, clothing is stockpiled for free distribution to victims of disaster at home and overseas.

In years past, SCF has rushed clothing to stricken areas in the United States, Algeria, Austria, Finland, Germany, France, Haiti, Israel, Italy, Korea and Mexico.

The donated clothing program is an important part of "Save the Children" Federation's overall work which also includes the sponsoring of children in the United States and overseas.

It also is initiating of village and school self-help projects for children in this country and abroad.

### Lindenhurst Pair Enjoy Musicales, 'Beatnik' Party

By Mrs. Edward Bernau

LINDENHURST—If you're wondering why Dorothy and Bob Smith of Pinerest lane are singing "Seventy-six Trombones" with such zeal, it's because they went to see the play, "The Music Man," in Chicago Saturday, Feb. 20.

Dorothy said it was "just marvelous."

They didn't have to worry about a baby sitter for Wendy, 2, and Steven, 4, as their god-parents, Mr. and Mrs. Norman Vandenberg of Chicago took care of them all day.

Back home in the evening Shirley Heldner sat with them while Bob and Dorothy attended the "Beatnik" party at the Community Methodist church in Lake Villa, sponsored by the Masters and Mates club of the church.

Dorothy and Bob stopped at the writer's home on the way to the party. They were dressed as typical beatniks.

Bob had a black derby, "mad" inscribed on it, black turtleneck shirt, black slacks, dark glasses and the standard beard.

Dorothy covered her blonde tresses with a black derby, "sad" inscribed on hers, black charcoal bangs on her forehead, yellow turtleneck shirt, black slacks and dark glasses.

She wore blue eye shadow and white lipstick. If all beatniks are as cute as they were, I'm headed for beatnikville.

Dorothy had been looking forward to this day out for some time and she was well satisfied.

## Dinner, Awards Presenting Enjoyed at Channel Lake

By Mrs. Pearl Kapell

CHANNEL LAKE — The Cub Scouts blue and gold anniversary dinner, held at the Channel Lake school on the evening of Feb. 20, was well attended.

Parents of only two of the Cubs were unable to attend. Guests of honor were Mr. and Mrs. Hod Peabody, Mr. and Mrs. James Bruski, Mr. and Mrs. Ray Atwood and Mr. and Mrs. Lewis Rogers.

The guests' table had as its centerpiece the display of toothpick craft which Pack 86 exhibited at Scout-O-Rama, with the picture of the display.

Kevin Jarvis, prepared place cards for the table—neckerchief slides made of toothpicks for the men and pins for the ladies. A carnation corsage was also presented to each of the ladies.

EACH OF THE den mothers decorated the table for her den. Lorraine Lemke's table had as its centerpiece, a white tiered birthday cake, decorated in blue and gold. Barbara Bjork's table featured a "Den Doodle," the names of all the Cubs in her pack, with streamers leading to the various awards each has won.

Margaret Runyard's table had as its centerpiece a sheet of glass, to which were glued the arrowheads which had been collected by her den. Place cards were paper cut-out of the heads of various animals.

Jeanne Burgdorf's table was decorated at each end by a construction paper house with a "Den Four" sign on the roofs.

A blue and gold platform in the middle of the table carried facsimiles of the four animal badges, and four small figures of Cub Scouts. Place cards were small blue and gold houses.

After the dinner, ceremonies were opened by Cubmaster John Eckert, leading the group in the pledge of allegiance to the flag. He then presented neighborhood commissioner Jim Bruski to make the awards to the Cubs.

PRESENTATION of the first award, a neckerchief slide, to be given to Martin Lulefs for selling the most tickets to Scout-O-Rama, was delayed while Assistant Cubmaster Phil Burgdorf and some of the den chiefs gave first aid to Martin.

Martin, playing with a stapler, had somehow managed to staple his own finger. The staple was removed, proper precautions taken and Martin received his award.

The anniversary awards earned by Bill Ganzer and John Bjork had not arrived, so will be given at a later date.

Bobcat pins were received by Mike Dowell and Donny Ryan. George Lynch was given his registration card. Wolf badges were presented to Mike Ring, Bruce Dieball, Bob Lemke, Allen Kriesant and Guy Trussell.

It was announced at this point that, due to a misunderstanding on the part of Guy's mother, Mrs. Ruth Trussell, Guy had performed prodigious tasks over the year.

Ruth misread the instructions and insisted that Guy perform practically all the achievements whereby a boy could earn his awards, believing that he had to accomplish all of them to earn one award.

AS A RESULT, Guy had earned—and received—not only the Wolf badge, but a golden arrow and five silver arrows.

A Bear badge was awarded to Richard Lebowski, who recently transferred from Grayslake to Pack 86. Golden arrows were presented to Bill Ganzer and Allen Kriesant.

Although Marty Peters had also earned one, it could not be presented to him as neither parent was present.

John Bjork received a silver arrow. Sam Harris and Martin Lulefs received their Denner stripes.

Hob Peabody then presented to each of the boys who had attended Scout-O-Rama the special badge awarded for this. It was announced that any of the boys who wished could get the Davy Crockett patch from their den mothers.

At the conclusion of the presentation of awards, Peabody showed movies of Camp Ma-Ka-Ja-Wan. Atwood showed slides taken of the

various Scout activities over the last year.

BECAUSE OF lack of time, Bruski did not project slides of the Philmont ranch, but announced he will show them at a future pack meeting.

Bruski invited all fathers of Scouts and Cubs to attend work week at Camp-Ma-Ka-Ja-Wan April 29-May 1.

The fathers will help in getting the camp ready for the summer, and also have an opportunity to tour the camp and view surroundings.

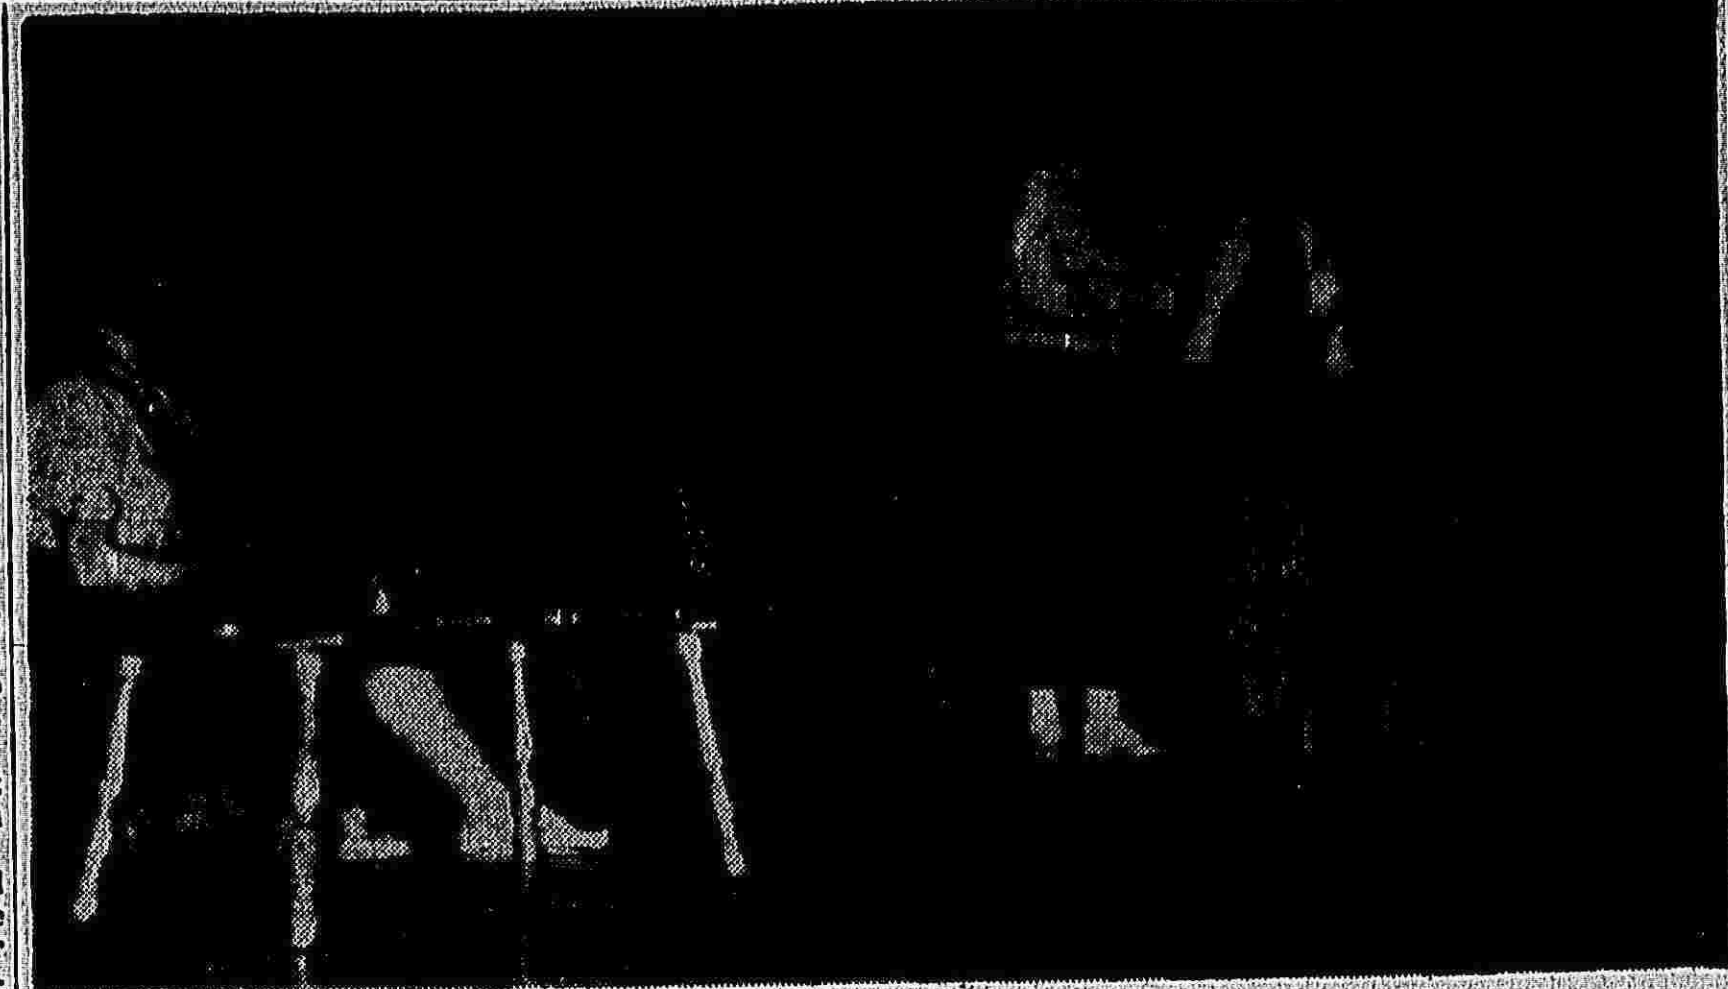

It was announced that the next round table will be at Grant high school on March 9.

An appreciation dinner to be held in Highland Park in April will be attended by scoutmasters and their wives, with the sponsoring organization buying the tickets.

Mr. and Mrs. Phil Burgdorf and Mrs. John Eckert will attend the Cub Scout basic training course every Tuesday through March.

Cubmaster John Eckert thanked the B.Z.B. for the use of silverware for the dinner.

He also thanked the den mothers for their work in preparing tables, and Bill Ganzer, John Bjork, Kenney Buell and Bobby Lemke for assisting.

PART OF THE CAST for the PTA-sponsored three-act comedy "Time Out for Ginger" is shown here as it rehearsed the first act in the Antioch-Lake Villa high school auditorium. Some of the stage properties are shown but the setting itself is still to be erected on stage. The play will be presented March 4 and 5 at the school with high school students joining adults in taking parts. Shown from left are, Lila Palinski as the mother, Sue Roman and Anne Shehorn, as two of her daughters, and Homer LePlant as the father. The "father" is making a point as the mother and two daughters listen in. (Antioch News photo).

By Mrs. Pearl Nagel  
CHANNEL LAKE—Several projects in which the PTA of Channel Lake school is interested were discussed at its regular meeting on Feb. 17.

The PTA agreed to cooperate with the school board in investigating the possibility of student insurance.

Election of officers for the organization will be held at the March meeting, and Mrs. Dolores Eckert was appointed chairman of the nominating committee.

Elmer Melendick and Betty Ham-eau volunteered to assist her in selecting a slate of officers.

Mrs. Jungman reported that work on the tape recording, to be broadcast over WKRS in March, is progressing.

Elmer Melendick, representing the Channel Lake school board, asked the PTA to assist the school board by making a telephone survey to determine public sentiment for and against building a gymnasium at Channel Lake school.

The PTA agreed to conduct the survey, and Eileen McBain volunteered to take charge of the project.

President, Eloise Wittleder, announced that one of the projects for this year will be a study of the curriculum of the school, and called for volunteers to assist in the work.

Dorothy Karczewski, Grace Amendola, Myrna Jungman and Jean Soby volunteered to help with this project.

Mrs. Wittleder announced that the March PTA meeting will be held a week later than usual, on March 23.

Mrs. Karczewski's room won the room count, having the most parents present, winning the honor of having the picture for their room for next month. Until now, Mrs. Amendola's room has won the picture each month.

It was announced that Cornelius Lulofs has donated a picture he is painting, to the PTA for use in the school.

Mrs. Bette Meyer, guest speaker for the evening, was introduced to the assembly by Mrs. Wittleder. Her subject was home decorating.

She gave several general rules on the subject, and many "tricks" for brightening up winter-jaded homes.

At the close of her talk and demonstration, she donated two small pillows, which she had brought along for demonstration, as a prize. They went to Betty Birr and Barbara Bjork.

## Dinner, Awards Presenting Enjoyed at Channel Lake

By Mrs. Pearl Kapell

CHANNEL LAKE — The Cub Scouts blue and gold anniversary dinner, held at the Channel Lake school on the evening of Feb. 20, was well attended.

Parents of only two of the Cubs were unable to attend.

Guests of honor were Mr. and Mrs. Hod Peabody, Mr. and Mrs. James Bruski, Mr. and Mrs. Ray Atwood and Mr. and Mrs. Lewis Rogers.

The guests' table had as its centerpiece the display of toothpick craft which Pack 86 exhibited at Scout-O-Rama, with the picture of the display.

Kevin Jarvis prepared place cards for the table—neckerchief slides made of toothpicks for the men and pins for the ladies.

A carnation corsage was also presented to each of the ladies.

EACH OF THE den mothers decorated the table for her den. Lorraine Lemke's table had as its centerpiece a white tiered birthday cake, decorated in blue and gold.

Barbara Bjork's table featured a "Den Doodle," the names of all the Cubs in her pack, with streamers leading to the various awards each has won.

## MOOSE TOPICS

The regional competition for de-gee staffs will be held Feb. 28 at the Woodstock Moose lodge. This includes the second and third districts.

All Moose members are invited to come down Friday nights to the fish fry, including chicken and shrimp. Time is 6 to 9:30 p. m.

There will also be music on Saturday nights to dance to, furnished by some of the Moose brothers. Bring your wives or sweethearts and join in the fun at the Antioch Moose home.

Antioch chapter no. 735 Women of the Moose, held its regular business meeting Thursday, Feb. 18. Forty-five members were present. Honored in the birthday march for February were Elsie Percy, Joan Barnes, Blanche Horton, Regina Karrasch and Harriet Grewe. There will be a meeting of all committee chairmen at 7:30 p. m. March 1 at the Moose home.

Next meeting of the chapter will be at 8 p. m. on March 3.

## Ladies Auxiliary Schedules Meeting At Lindenhurst Club Thursday Eve.

By Mrs. Edward Bernau  
Phone Elliot 6-5649

The Ladies auxiliary to the Lindenhurst Men's club will have its regular meeting at 8 p. m., Thursday, Feb. 25, in the village hall.

It was originally scheduled for Feb. 11, but due to the snow storm was postponed.

Installation will take place as originally planned.

Guest speakers will be James E. Bradley, principal of B. J. Hooper school, and George Heuer from the Countryside hospital.

Mrs. Lou Stanley, president, personally invites you to come as a guest of the club, so that you may become better acquainted with the members and what they are trying to accomplish in Lindenhurst.

The Tuesday Night club met at the home of Mrs. Betty Quinn on White Oak drive Feb. 18. Members are Mrs. Alberta Bethley, Mrs. Lorraine Grant, Mrs. Pearl LaBarbera, Mrs. Jane Lindberg, and Mrs. Evelyn Lazansky.

A plastic demonstration party was held recently at Mrs. Ruth Burke's home on Fairfield road. Fifteen women took part in the games that were played before the demonstration began. (Grown-ups like to play games, too, especially when prizes are given.)

Just a reminder to save the following articles to be sold at the rummage sale for the benefit of the Countryside hospital, to be held Friday and Saturday, March 11 and 12.

Clothing (please mark size), shoes, (size, please), jewelry, dishes, glassware, buttons (please sew sets on cards, if possible), lamps, lampshades, pictures (old fashioned photographs) and frames, toys, dolls and parts of dolls, electric appliances of all kinds.

Call Mrs. Lou Stanley at EL. 6-7509 or Mrs. Don Ringsteyer at EL. 6-5151 for more information.

Dee Flint of Thornwood drive entertained a group of her neighbors in her home Thursday, Feb. 18.

Nancy Kleffner, Joyce Maloney, Esther LaChance, Anne Hartokolis, Evelyn Dusac, Sally Keppled, Anita Romano, Marilyn Baumann, Peggy

Karry and Dee brought a baby picture of herself.

Later the pictures were placed on the floor and the girls had a lot of fun trying to guess who they were. (Have we really changed that much?)

Trying to remember the objects they saw in a bowl for a few seconds really taxed their memories, too.

The girls meet once a month at each other's homes and enjoy playing games for a change instead of the usual card games.

Judy Heidner, 17, of Hazelwood drive and Pete Kochurka, 20, of Lyons were married Saturday, Feb. 20, by justice of the peace Emil W. Lindvall of Waukegan.

Vita Fidanzo of Hazelwood drive was maid of honor and Don Dashman of Chicago was best man.

The wedding party had luncheon at the Rustic Manor in Gurnee and later a family dinner was served in Chicago at Judy's grandparents' home, Mr. and Mrs. William Baumann.

Judy is a daughter of Edwin and Helen Heidner. Her sisters and brothers are Shirley, Donald, Janice and Jimmy.

Pete is a son of Nicholas and Mary Kochurka of Lyons. The newlyweds are going to live in a five room trailer in DesPlaines. Pete works in Lyons.

If you passed the Frank Mindak's home on Hawthorne drive last Friday and wondered why all the happy childish laughter.

It was David, Amy and Dale Mindak, Carol and Gloria Parchutz, Susan and Steven Lazansky, Johnny Uebele, Diane Bacon and Barbara Pfister helping Dawn celebrate her seventh birthday.

Dawn is a pupil at Hooper school and her friends were her classmates and neighbors.

A man about town last week was Barry Kleban of Long Meadow drive.

He is a purchasing agent for the Ohmite Manufacturing company of Chicago and as such, he was invited to have cocktails and dinner at the Men's Athletic club on Michigan avenue Tuesday and the same on Wednesday at the Covenant club.

The purchasing agents show was held at the Morrison hotel. All salesmen were presented with a leather wallet, and Barry was awarded a prize of an electric egg cooker, that he gave to his wife Phyllis.

Like all good fathers, when they go out, he remembered to bring home some suckers and balloons for his two sons, Mitchell, 2½ years old, and little Bradford, three months old.

They are the little fellows who took care of Dad while mother had a night out a few weeks ago.

A daughter, Rebecca Sue, was born on Valentine's day to Mr. and Mrs. Joseph Shirk of Countryside lane at the Conell Memorial hospital. The stork is quite familiar with the Shirk family, as this was the seventh bundle he has left there. The Shirks have lived in Lindenhurst for six years.

## Registration of 8th Graders Due

Denison has been marking up grades and other data compiled by the tests for school records and for consultations where needed.

Wayne J. Smith, executive secretary of the committee in charge, said the "feed" would start at 6 p. m., followed by a talk by a prominent congressman from Chicago.

Afterward there will be dancing and refreshments will be served.

"CORVAIR HANDLES BETTER, STEERS MORE EASILY, RESPONDS MUCH MORE QUICKLY AND HOLDS THE ROAD MORE SECURELY THAN ANY STOCK FOUR-DOOR SEDAN EVER MADE IN THE U.S."

—Jim Whipple, Car Life

If you think we're enthusiastic about Corvair, leaf through the leading automotive, sports and science magazines and see what the experts are saying. Then, by all means, drive one yourself.

"Corvair's steering is so light that at parking speeds it feels power assisted; it is so precise as to be absolutely without play, and it is fast enough to allow complete control over every situation."

—Karl Ludvigsen, Sports Cars Illustrated

"Steers like a feather and is extremely quick. . . . This is a beautifully designed automobile, engineered by real pros. . . ."

—Tom McCahill, Mechanix Illustrated

"Most surprising thing to me outside of the excellent handling characteristics was the feeling of roominess inside. . . . I didn't have the sensation of driving a small car and the headroom was greater

in the Corvair than in some standard size cars. . . ."

—L. H. Houck, Automotive News

"So far as shopping goes, the Corvair is a housewife's dream. It's small and easily maneuvered without any power steering, and so easily parked. . . . it's a lot easier to unload a cart full of groceries into a front trunk at the supermarket than it is into a rear one."

—Rosemary Francis, Popular Science

"I want to state as firmly as I can that the Corvair handles as beautifully and is as safe as—if not safer than—any family car on the road today."

—Jim Whipple, Car Life

"There is none of the typical whine normally associated with rear-engined vehicles. Inside the car, the effect is quite unlike anything we have ever experienced. It almost seems that there is no engine, and the general effect is so quiet as to be almost uncanny."

—John R. Bond, Road & Track

"No written word can suffice for the genuine pleasure that you will receive behind the wheel of America's newest and most advanced contribution to transportation. . . . It is a great car."

—Don Stewart, Motor Life

# Channel Lake School Gym Talked By School Board

By Mrs. Pearl Kopp  
Antioch, Ill.

CHANNEL LAKE — The school board of Channel Lake school held its regular meeting on Feb. 16. It discussed the possibility of instituting student insurance for the pupils. It was decided that Secretary Mary Chase would prepare slips to send home with the children to determine how many parents would be willing to pay a small annual sum for the insurance.

Results of this action will be discussed at the next meeting.

A board member brought up the possibility of putting a referendum before the people for money to build a gymnasium at the school. The need for new flooring in certain parts of the school, and for remodeling of the old entrance were also discussed.

Dr. Stanley Anderson pointed out that if a new gymnasium were built, the present lunchroom could probably, if needed in the future, be divided to make two classrooms. The board decided to ask the PTA to make a telephone survey of voters in the district to determine public sentiment for and against a gymnasium.

When the survey is completed, a special meeting of the board will be called to evaluate the results and discuss possible further action.

The PTA asked permission of the school board to make a study of the curriculum of the school, results of the study to be turned over to

the board. The board granted permission.

Mr. and Mrs. Ed Baumann returned Feb. 16 from a week's vacation in Florida. The pleasure of their stay was heightened by reports of the storm "enjoyed" here during their absence.

Ed went deep sea fishing, and they reported they had a wonderful time. Much of their time was spent in the company of Mr. and Mrs. John Blackman, also vacationing in Miami.

Mrs. Frank (Carol) Buell, daughter of Mr. and Mrs. Harold Buell, has moved to Portsmouth, Va., to join her husband.

Mrs. Buell has been staying with her parents at Channel Lake while her husband, Fireman Frank Buell, was on overseas duty in the Mediterranean aboard the USS Gatling.

For friends who wish to write, Carol's new address is 1117 Fourth St., Portsmouth, Va. Mrs. Harold Buell accompanied her daughter to her new home, but has returned to Channel Lake.

Emil Frozeth of Sunside subdivision was guest of honor at a gathering of his friends to help him celebrate his birthday on Feb. 13.

Little Kathleen (Casey) Chase was hostess to seven small guests on her seventh birthday Feb. 16. Cake and ice cream were served. Guests were Susan MacKinney, Mary Wiczorek, Christine and Cindy Libert, Denise Diemer, Donna Hanson and Jean Dowell.

Mrs. Dennis Swanson was guest of honor at a baby shower given recently by the "Have Cards—Will Travel" club at the home of Mrs. Hugo Swanson.

The prospective mother received many gifts, including a play pen from the club.

Conversation piece of the evening was the clever centerpiece for the table made by Agnes Van Patten, a miniature glass-enclosed "viewing room" modeled after the ones in hospitals in which visitors view the new arrivals, with tiny cribs inside the room.

A pot-luck dinner was served. Guests attending the shower were Mrs. David Stratton, Mrs. Julia Thies, Mrs. Agnes Van Patten, Mrs. Pat Hruby, Mrs. Beverly Roberts, Mrs. Frieda Jones, Mrs. Dorothy Noxon, Mrs. Marge Reckers, Mrs. Bea Mott, Mrs. Elinor Mott, Mrs. Kathy Mott, Mrs. Julia Strauss, Joyce Strauss, Mrs. Marie Burgdorf, Mrs. Jeanne Burgdorf, Mrs. Elizabeth Iterer of Chicago, and Mrs. Alice Heft.

Ray Van Patten, Jr., was guest of honor at a surprise party Saturday night to celebrate his 21st birthday. Ray's birthday was Feb. 21. His mother, Mrs. Ray Van Patten, Sr., celebrated her birthday on Feb. 19.

Mrs. Agnes Van Patten is membership chairman of the Republican Women's club in this precinct. If any local ladies are interested in receiving information about the

## 'Moon' Mullins Takes Stand On Major Issues

Melvin C. (Moon) Mullins, GOP candidate for coroner in the April 12 primary, has taken a firm stand on two major issues involving administration of the coroner's office.

"Prolonged delay in calling inquests should and must be avoided," Mullins said. "The additional burden of grief to the family of the deceased is needless in many cases and should be avoided as the first duty of the coroner."

"As a supervisor of Lake county, serving on the salary and job evaluation committee, I know what it costs to run the coroner's office."

"There are several areas in which stricter economies can and should be accomplished. If nominated and elected, this will be my first consideration."

Mullins, a resident of Round Lake, serves as assistant supervisor of Avon Township and is employed by the Deerfield police department.

As an investigator, the primary legal function of a coroner under Illinois law, Mullins has had at least ten years of experience.

His service includes duty with the Highland Park police department, Lake county sheriff's office and the Deerfield department.

In a recent speech, he pointed to his 32 year history of Republican activity in Lake county and traced his family history to three generations of Lake county residents.

The candidate organized the Highland Park Boys club in 1945 and has always been identified with youth and recreational programs in Lake county.

A former CYO and Golden Glove boxer, Mullins has held office in many county civic and fraternal organizations and has always worked for youth betterment programs within these organizations.

## License Suspension Rescinded by State

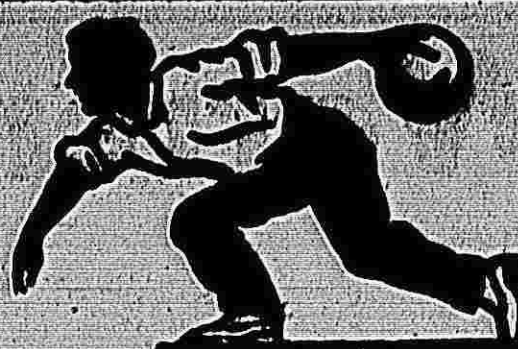

Springfield—The office of secretary of state has announced the drivers license division has rescinded the suspension of three Lake county residents.

These included the suspension of the license of Flossie R. Kugler, of route 3, Lake Villa, which was rescinded upon review of the record which disclosed that her record does not presently show reports of conviction for three or more moving traffic violation convictions within one year.

club, Mrs. Van Patten will be glad to hear from you. Call her at Antioch 2017.

Several friends dropped into the John Lavin home in Sun-Side subdivision on Feb. 16 to wish Mr. Lavin a happy birthday. A family dinner to celebrate the occasion was held Sunday with many relatives from Chicago attending.

Farmers who use less than 75 tons of feed a year will probably find it less expensive to use custom-mixing services than to mix their rations on the farm. When feed use rises above 100 tons a year, an automatic electric mixer and grinder on the farm will often cut costs below those of custom mixing.

# Sequoits Top Warren, 76-60

## Antioch Cagers Lose Close One To Zion-Benton

By Henry Green, Editor

Workmen spent several minutes before the game at Warren high school last Friday night fixing the strings on one of the baskets.

The Blue Devils from Gurnee must have thought these men put a cover on the basket for all the points Warren made in the first quarter or even in the first half.

The Fighting Sequoits from Antioch high romped over Warren 76-60 before an overflow crowd of around 1,000 fans but it was the first four minutes or so of play in the first quarter that told of things to come.

Antioch led 18-3 after four minutes were gone and had a 25-10 advantage when the initial quarter ended. Coach Larry Leon's youths made 11 out of 19 shots while their defensive play held the Blue Devils to 4 in 17 in the first quarter of play.

Warren outscored the Sequoits in the second period 17-16 but still the Antioch boys were on the long end of a 41-27 lead at the half time pause.

The Sequoits and Warren were even in the third stanza with 13 points each.

**THE VICTORY** gave the Sequoits no worse than a tie for first place in the Northwest Suburban conference. A victory over Grayslake this week Friday will bring Antioch its first title in several years. The Blue Devils' closest point to a lead in the game came in the first part of the second half when Antioch's margin was cut to 9 points, 50-41.

When the scoreboard read 73-53 for Antioch in the first five minutes of the fourth quarter, both coaches substituted freely.

Antioch made 23 out of 59 "field goal" attempts for a .441 percentage and 24 out of 33 free throws for .727. Rebounding totals showed 15 offensive and 31 defensive for a 46 total.

The Blue Devils tried 66 field goals, made 23 for .348. In charity tosses they made 14 out of 23 for .608. Rebounding showed 3 offensive and 22 defensive for a 30 total.

**IT WAS** the best team effort on the part of the Sequoits this season defensively, offensively and rebound-wise. All the boys taking part put in good performances, with no one individual particularly above the others.

Leon said in commenting on the victory that if he were to pick out one it would be Don Pyles who put in his best game of the season. Bob Martin was "mighty rough" on the boards and his scoring picked up.

He was surprised that his youths really went out from the start and got off to a good beginning. The fast break was working really well and the local basket shooting was among the best.

The Sequoits didn't have to take many long shots, with most of them coming from 10 or 12 feet out at the most.

The non-conference game between Antioch and Zion-Benton on the local floor Saturday evening was by no means as much in favor of the Zee-Bees as the final score (88-77) might indicate.

Bob Martin hit in the double figures again (19 points Saturday and 16 on Friday) to help along the Sequoit cause.

Jerry Dahlman bounced back into this high scoring bracket Saturday with 34 points against his 18 on Friday.

Antioch held a 17-14 lead when the first quarter ended and in the final stanza the lead changed several times before the Z-B quintet

went out ahead 68-66 with about 4 1/2 minutes to play in that period.

The Sequoits first went into the lead in the final quarter 68-55 when Dahlman made a free throw. The lead alternated back and forth from that point, usually with one team or the other leading by a point or two.

The last time Antioch was ahead was at 64-63 with 5 1/2 minutes to play.

Zion-Benton, one of the better teams in the Chicago area, took good advantage of Antioch high's mistakes (usually fouls) in that final quarter.

Z-B made 24 out of 33 free throws in the game for a .750 percentage while Antioch sunk 11 out of 21 for .524.

Antioch attempted 74 field goals and made 33 for .446 and Z-B attempted 55 and made 31 for .564.

## Stock Rock Lake With Rainbows

**TREVOR, Wis.**—Rock lake south of Trevor has increased in size its population of trout.

The Wisconsin conservation department's fish management division late last week planted two large tank truck loads of rainbow trout. Fourteen hundred pounds of them or about 3,200 in number were dumped in the lake.

The smallest was nine inches long and some of them measure as much as 11 inches, district fish manager Fritz Paulin said. A similar planting of fish was made in the lake a year ago.

Another stocking will be made in April with about the same number of rainbows.

Later that month a seine netting of fishing will be made. This will check the growth and survival of fish released last week against the number of fish from the April stocking.

Rock lake has been closed to fishing for all species.

### BLANK TV PICTURE

We often get excited phone callers asking: "My TV picture went blank; how much is a new picture tube?"

I'd say that only in about one case in fifty calls like this is the picture tube at fault. Because the picture tube depends upon so many parts of the set to receive its voltage for operation, just one small part can cause it to go blank.

At ANTIOCH TV we have the necessary electronic motors to find the trouble in minutes and replace or repair the part right in your living room in about 90% of the cases. Phone 410 for this kind of television service.
